## Space and Naval Warfare Systems Center Charleston Awards Contract

CHARLESTON, S.C. — Eagan, McAllister Associates, Inc., Lexington Park, Md., is being awarded a \$36,616,123 indefinite delivery, indefinite quantity, cost-plus-fixed-fee/firm fixed price, performance-based type contract to provide engineering and technical support services to Space and Naval Warfare Systems Center (SPAWARSYSCEN) Charleston for the Command, Control, Communications, Computers, Intelligence, Surveillance and Reconnaissance (C<sup>4</sup>ISR) Programs. The contractor shall provide system engineering, software development, configuration management, test, fleet introduction, product improvement, quality assurance, logistic, and life cycle management support for various C<sup>4</sup>ISR requirements, programs, and projects as tasked by multiple Department of Defense (DOD), and other Federal Agencies, during critical periods from system conception through system operation.

This contract includes a base year and four one-year options, which, if exercised, would bring the cumulative value of the contract to \$195,793,626. The work will be performed in Charleston, S.C. (70%) and Lexington Park, Md. (30%) and is expected to be completed by September 2005. If all options are exercised, work will continue through September 2009.

Contract funds in the amount of \$50,000 (minimum guarantee) will not expire at the end of the fiscal year. The contract was competitively procured under full and open competition. The Request for Proposal was posted on the SPAWAR Systems Center E-Commerce website and one offer was received. The Space and Naval Warfare Systems Center, Charleston, S.C. is the contracting activity for this action (N65236-04-D-6844).
